Remarks

By Mr. Bhaskara 13/7/36 Secy: Jaffna Development

Retransmitted with compliments to the Secretary to Government, Development Department. No.3R-2 15-7-36.

A grant of Rs. 2,000/- may be given and it has been provided in the statement of distribution of grants which will be submitted to Government.

A. Balasingham
Director of Health

It is not clear from the Director's note as to what the total grant for Jaffna amounts of the grants proposed to be given by Jaffna bodies the work is, and whether the idea is to give a grant of Rs 2000 this year, further grants

Drainage Scheme to Jagalur town

M File No. 82 of 1936-37 | General and Revenue Secretariat

Letter No. C 318-18 dated 13th May 1937 from the Dr of Health forwarding for sanction a revised estimate amounting to Rs 13,000/- for the drainage scheme for Jagalur town

Jagalur is a minor Mlty

Before sanctioning the revised estimate in question, it is perhaps necessary to consult the D C Chitaldrug whether the financial condition of the Mlty admits of the work being taken up. His attention is invited to the D C's letter dated 2nd July 1936 (vide flag 'G') wherein it has been stated by the D C with reference to the original estimate (Rs 43,600/-) for the drainage scheme of the town that has stated with the financial condition of this Mlty which has only an annual income of about Rs 7000/- does not permit the scheme being worked out at the cost of the Mlty

It is not known how the financial condition of this minor Mlty would be during the year 1937-38 if approved, the estimate along with the report will be forwarded to the D C Chitaldrug to suggest ways and means of meeting the estimated cost of the scheme out of the Mlt. funds

2) A total grant-in-aid of Rs 8000/- for the scheme to be paid by Govt in two yearly instalments of Rs 4000/- each from out of the provision made under Town Improvt grant for the years 1937-38 & 1938-39.

Kind attention is invited to Govt Order No L 5 10-20 Rev 123-36-3 dated 9-10th July 1937, laying orders regarding the distribution of Town Improvt grant for the year 1937-38. It will be seen therefrom that a provision of Rs 10,000/- is made for allotment among the several town and minor relief works in the Chikballapur Dt for 1937-38. If the scheme as recommended by the D C is approved, the Govt contribution of Rs 4000/- during the current year, has to be met out of the provision referred to above, unless it is otherwise ordered that it should be met out of the Reserve of Rs 3000/- Submitted for orders

The Dir of Public Health in his C 3/8 dated 26.9.19 para 3 states that it may be possible to work the full scheme with Rs 1150 if the pipes are called for, as the tender rate will be less than the estimate. Submitted for orders with reference to paras 29 & 30 supra

Jafalam Drainage Scheme

General and Revenue Secretariat — File No. 92 of 1936-37 [App. F III—2

Serial No. 18

The Director of Public Health enquires that, even though the estimated cost of the scheme may be Rs 13000/- it is possible to work out the entire scheme within Rs 11500/- as the tenders received would be lower. With regard the treatment of the sewage by Perchloron, it is stated that the sewage is led into a tank, the water which is being used by the town people both for drinking and bathing purposes that it is therefore necessary to chlorinate it to make it harmless. The recurring cost on this account is stated to be Rs 250/- per year.

5th Director of Health's D.O. dated 11th October 37

The provision of Rs 6500/- (being half the cost of the Scheme) has been made by the Director of Public Health at the provision of Rs 10000/- made for Town Improvement in the Chittaldrug District.

The draft G.O. already put up in the file. It is for orders if it may be issued sanctioning the sum to be contributed by Jafalam at Rs 6500/- subject to the scheme being carried out within Rs 11500/-

OF THE DEPUTY COMMISSIONER,
CHITALDRUG DISTRICT

Dated Chitaldrug, 2nd July 1936

FROM

N S IYENGAR, ESQ., B.A.,
Deputy Commissioner,
Chitaldrug District

GEN & REV SECTT
6 JULY 1936
L.S.G BRANCH

To

M VENKATANARANAPPA, ESQ., B.A.,
Secretary to Government of Mysore,
Development Depart, BANGALORE

Subject Drainage project for Jagalur Town.

Sir,

In forwarding herewith in original correspondence ending with report NO C 181/35-36 dated 22nd June 1936, received from the President, Jagalur Municipality on the above subject, I have the honor to state that the question of providing suitable drainage to Jagalur Town was engaging the attention of the Municipal Council. The Sanitary Engineer, Bureau of Sanitary Engineering, was therefore requested to get up a plan and estimate for the same. A detailed estimate for the above scheme for a sum of Rs 43,600/- has been prepared and sent along with the plan.

2. The estimate and plan were placed before the council at its meeting held on 18th June 1936. They have resolved that the estimate might be submitted to Government for sanction. It has also been resolved that 6½% bonds held by the Council to the value of Rs 5,000/- might be disposed of and the entire amount spent on this scheme, and that the balance of the estimated cost might be met out of Government grant to be sanctioned for the purpose. A copy of the resolution of the council along with the communications in original received from the Sanitary Engineer are enclosed herewith for perusal.

3. The financial condition of this Municipal Council which has only an annual income of about Rs 7,000/- does not permit the scheme being worked out at the cost of the municipality. As stated by the Sanitary Engineer, the work will have to be undertaken by bits as funds permit.

I therefore request that orders of Government might be obtained on the following points:-

1) Administrative sanction of Government might be obtained for the entire scheme for a sum of Rs 43,600/-

2) Sanction to dispose of the bonds amounting to Rs 5,000/- held by them to meet the cost of this scheme,

3) And that sanction of Government might be obtained to meet the balance of the entire scheme out of Government grant to be spread over a period of five years.

The work will be entrusted to the Bureau of Sanitary Engineering for execution As a first measure, I request that a grant of Rs 2,000/- might be sanctioned for the year 1936-37 towards this work, out of the Town Improvement Grant sanctioned in the Budget for the current year

I have the honor to be,
Sir,
Your most obedient servant

Sir,

Subject:- Drainage scheme to the Jagalur town at an estimated cost of Rs 13000.

Adverting to your letter No. L. 8924 Ml.82-36-24 dated 22nd June 1937, calling for suggestions as to the ways and means of meeting the estimated cost of the scheme etc., I have the honor to state that the municipal council in their meeting held on 28th June 1937, have proposed to complete the work in a single year As regards the ways and means of meeting the cost of the scheme, they point out that their annual income is just enough to cover their normal expenditure and that therefore they may be permitted to convert their investment of 5000 in 6½% state loan bond into cash and request that the balance of 8000 may be met by way of grants by Government. A copy of the resolution of the council dated 28th June 1937 is enclosed for kind reference.

This is a minor municipality whose resources are limited. In view of the urgency of the drainage scheme in the town, a Government grant of Rs 8000 is necessary for the purpose The grant may be made in 2 years and the work accordingly spread over this year and the next.

I therefore request that the sanction of Government may kindly be obtained to the adoption of the scheme at the estimated cost of Rs 13000 and that the municipal council may be permitted to convert their 6½% bonds to the value of Rs 5000 into cash towards this expenditure and that a grant of Rs 4000 (fro. the town improvement grants) may be made to this municipality fro. the current

year's grants, the balance of Rs 4000 being arranged to be met from the next year's Allotment under the same head.

I have the honor to be

S I R,

Your most obedient servant,

Deputy Commissariat,
Chittagong Division.

SIR,

Drainage Scheme for Jagalur Town

With reference to your letter No L. 2900/Ml. 82-36-31 dated 21st September 1937, I have the honour to inform that the Sanitary Engineer intimates that it may be possible to work out the full scheme included in the estimates for Rs 13,000/- anticipating lower rates through tenders

In regard to the question of treating the sewage with perchloron - as it is found that towns people use the tank water both for bathing and drinking purposes at times, to some extent it is found necessary to purify the sewage and make it harmless before it is led into the tank. As the quantity of sewage that is derived from the town is small it is possible to chlorinate and to make it harmless The estimate of the recurring expenditure involved will be very little perhaps about Rs 250/- every year

No other method of proper treatment of sewage could be thought of as the situation of the town and the location of the costly buildings by the side of the tank have prevented the outfall being taken outside this area as otherwise a number of big buildings have to be acquired to take the outfall for land treatment

I have the honour to be,
Sir,
Your most obedient servant,
P Parthasarathy
Director of Health

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

Read :-

Correspondence ending with letter No.C.328-13 dated 14th May 1937 from the Director of Health, forwarding among a revised estimate amounting to Rs.13,000/- for the Drainage Scheme to the Jagalur Minor Municipality.

2. Correspondence ending with letter No.A.G.C.3152/35-36 dated 19th August 1937 from the Deputy Commissioner, Chitaldrug District, suggesting the ways and means of financing the Drainage Scheme referred to above.

Order No. L4398-4400/ml 52-36-33
Dated, Bangalore, 6th November 1937.

The Deputy Commissioner, Chitaldrug reports that the estimate amounting to Rs.13,000/- for the Drainage Scheme to the Jagalur Town may be sanctioned and suggests that, in view of the poor finances of the Municipality, the cost of the above scheme be met as follows:-

1) Rs.5000/- contribution from the Municipal funds by converting into cash the 6½ per cent Bonds of the value of Rs.5000 held by the Municipality;

2) A total grant-in-aid of Rs.8,000/- to meet the balance of the cost of the scheme to be paid by Government in two yearly instalments of Rs.4000/- each from out of the provision made in the State Budget under Town Improvement grant for the years 1937-38 and 1938-39.

3. Government are pleased to sanction the estimate for Rs.13,000 and to permit the Municipal Council to sell the 6½ per cent Bonds of the value of Rs.5,000 held by them for meeting their share of the cost of the scheme. Sanction is also accorded to a grant-in-aid from Government of a sum of Rs.8,500/- towards the above scheme, the same being met out of the sum of Rs.10,000/- allotted to Chitaldrug District in Government Order No.L.310-36 Ml.123-36-3 dated 9-10th July 1937, out of the Town Improvement grant in the State Budget during the current year.

3. A total sum of Rs.11,500/- will be available for the Drainage

work in question and the Director of Health expects that it will be possible to carry out the estimate within this amount as rates lower than the estimated rates are expected to be tendered.

Sir,

Ref - Letter No. L.3610/11. 82-36 dated 21st October 1937.

I have the honour to inform that in my letter No.C.318-22 dated 11th October 1937, I have mentioned that the Sanitary Engineer intimates that it may be possible to work out the full scheme when tenders are called for. It is likely that the tender will be less than the estimates.

I have the honour to be,

Sir,

Your most obedient servant,

Director of Health.
